Portable and Fun!

PawTalk is compact and battery powered. Once your dog is trained, you can move PawTalk to any door in your home.

Small and light-weight, PawTalk can be taken anywhere:

- Vacation
- Pet Sitter
- Anywhere!

Let your dog start talking to you!

PawTalk™

New

They let you know when they gotta go!

New Product

Train your dog to step on PawTalk when he wants to go outside.

- Training is easy – Veterinarian approved
- No more barking or door scratching
- Any dog can be trained – young or old
- Slightest pressure activates buzzers/light

Fun for everyone as your dog learns to communicate with the whole family!

Training is Easy

Product Features

- Master on/off switch
- Separate light switch
- Buzzers and light
- Volume control (hi / med / low)
- Molded non-skid rubber strips
- Textured surface
- Product size (7.0" x 5.0" x 2.1")
- Weighs less than 1 pound
- Battery operated
(batteries not included)
- Strong – can withstand continuous pouncing of up to 120 lbs

- Training Guide developed and approved by Veterinarians included in product box.
- There is no age limit for effectively training your dog.
- PawTalk training typically takes less than a week.
- Armies of dogs are abandoned each year by people who claim their dogs are incapable of being house trained. The National Humane Society reports that many of these abandoned dogs are ultimately destroyed due to housing and space constraints.
- PawTalk was developed to be an owner-to-pet interactive device whereby a dog can quickly learn to communicate it's intentions to their owner.
